GERMANS FAIL TO SMASH BRITONS' LINE AT HILL 60

Fierce Conflict May Develop Into Battle of Consequence.

NEW GERMAN DRIVE IS NEAR

England Fails to Explain Stoppage of Traffic With Netherlands; Big Land Operations Anticipated in the Attack Upon the Dardanelles Straits.

By Associated Press

LONDON, April 23.—The British forces have shown no disposition under the repeated rushes of the Germans to relax their grip on Hill No. 60, near Ypres and the fighting in this locality today shows signs of developing along the wide front with increasing intensity, even rivaling the attempts of the Germans to break through the British line last fall.

The city of Ypres, whose historic structures were shattered by German projectiles last October, again is the target of heavy shells. Seventeen inch projectiles are now being used and unless the civilian population has fled it is feared, to its ranks the losses among the people must be heavy.

There has been a lull in the German counter attacks, according to the British official report given out this morning, but it is assumed that both sides are being strongly reinforced and the tone of the British communication indicates that the issue has not yet been finally decided.

No official explanation is forthcoming of the stoppage of traffic between England and Holland. One theory is that this is a stroke aimed at spies and another that the area is being cleared for naval action. The latter explanation seems incomplete, however, in that if ships were being taken to clear ships from a mine shell zone we should be running to Scandinavian ports also would be held up.

Although Great Britain is silent, Germany apparently is expecting extensive land operations near the Dardanelles and it is common knowledge that troops of the allies are being landed in European Turkey.

PLUCKY TROOPS RESCUE GERMANS IN HOT FIGHT

PARIS, via London, April 23. The French war office this afternoon issued the following statement:

"Yesterday evening there were furiously fought encounters in Belgium. In the bend of the Yser, north of Dixmude, Belgian troops repulsed an attack against the Chateau of Vicoque and inflicted heavy losses on the enemy.

"North of Ypres the Germans by employing large quantities of asphyxiating bombs, the effect of which was felt for a distance of two kilometers behind our lines, forced us to retire in the direction of the Yser canal. Toward the west and in the direction of Ypres, toward the south, the enemy's attack was checked. Vigorous counter attack enabled us to regain ground and take many prisoners.

"In the wooded valley near St. Mihiel by an attack east and west of the position previously captured we took 700 meter of trenches and made all our 100 prisoners, including three officers."

WILSON'S FRIENDS WATCH NEUTRALITY COMMENTS.

WASHINGTON, April 23.—Comment of President Wilson's neutrality speech before the Associated Press dinner in New York Tuesday, published in Europe and cabled here, is being noted with interest by the President's closest friends and advisers, who say he expected to hear conflicting opinions.

President Wilson's principal idea in the speech, they said today, was to show that the United States stands ready to help either side or both to recover after the war as well as during peace negotiations and that the President believes the United States will have frequent opportunity to show it is the real friend of all the belligerents. Many interpretations that the President by given up hope that the United States will make peace is declared by his friends to be entirely without foundation.

RUSSIAN TORPEDO BOATS BOMBARD TURK COAST.

PETROGRAD, April 23.—The Russian Black Sea torpedo fleet bombarded the Turkish coast between Archavi and Artashin on April 19.

This 15-mile strip of coast in which was located the quarters of the Turkish army operating in this region was swept with shell and the barracks and munition stores were looted and destroyed. A large number of Turkish transport vessels laden with ammunition and supplies were sunk.

GERMAN FLEET ROVES IN ENGLISH WATERS

BERLIN via London, April 23.—The German admiralty today gave out a statement reading as follows:

"The German high sea fleet has repeatedly entered repeatedly in the North Sea advancing into English waters without meeting the sea forces of Great Britain."

Wanted for Fighting.

Warrants were issued this morning for the arrest of C. S. Ryder, white, and Bill Bee, colored, for fighting last evening on Pitch street. Chief Bowers was looking for the men this morning.

THIRD ATTEMPT ON LIFE OF LECKRONE MAN SUCCEEDS

Franklin Monfrada Shot From Ambush While Driving to His Store at Loucks Hill.

Franklin Monfrada, a storekeeper at Loucks Hill, near Leckrone, was shot down from ambush yesterday afternoon while driving his wagon back from the freight station at Leckrone. He died from injuries caused by shot of iron and steel with which the murderer loaded his shells. Death occurred before a physician arrived.

This was the third murderous attack on Monfrada in three years. Once he was stabbed through the body and on a second occasion three revolver bullets were pumped into his body. His assailants escaped both times. Monfrada is said to have known who was seeking his life but he refused to make known his identity.

The author of the foul and successful attack evidently had lain in wait for his victim a long time for in a thicket from which the shots were fired was found a barricade of logs and tree stumps, forming a small fortress. When the shot was fired Monfrada fell from the seat of the wagon. Ira Lilly, clerk at the Pennsylvania station at Leckrone, heard the noise and saw the smoke of the gun which evidently had been heavily charged. A short time later he saw a man walking through the creek a short distance away, ignoring the bridge. He disappeared up the railroad tracks.

The county bloodhounds were soon taken to the spot but they lost the trail on the railroad tracks which are traversed by many workmen, thus spoiling the scent.

THAW TO GET TRIAL

Appeal for Jury to Test Sanity Granted by Court.

By Associated Press

NEW YORK, April 23.—The question of the sanity of Harry K. Thaw will be determined by a jury, Supreme Court Justice Hendrick in a decision handed down today granted the application for a trial made by Thaw's attorneys on a writ of habeas corpus.

Thaw was in court when Justice Hendrick announced his opinion. His face at once lighted up. His attorneys, friends and others in the court rushed to congratulate him and he was kept busy for nearly half an hour, shaking hands before he was taken back to the Tombs.

"It will be good news to my mother," he told the newspaper men. "That's all I want to say for publication."

Justice Hendrick set the date of the trial for May 17.

INDICT CITY OFFICIALS

Mayor and Safety Director Charged With Frauds.

By Associated Press

STEUBENVILLE, O., April 23.—Thirty indictments were today made public against Mayor George W. McLeish, one charging oral extension of $50 and 29 for extortion of small amounts in criminal cases in the court of which he is the magistrate.

One indictment for the alleged forging of a contract, 11 indictments for contracting illegally as a city official and one indictment charging that he obtained money under false pretense were announced against Hugh Patterson, director of public safety and city clerk James and Clay McLeish, brother and son of the mayor, were indicted for the larceny of a metal garbage wagon and other city property.

O'TOOLE IN TOILS.

Pitcher Accused of Fighting With a Motorman.

By Associated Press

COLUMBUS, O., April 23.—Marty O'Toole, pitcher for the Columbus American Association Club, was present in police court today on a charge of having engaged in a fight with a street car motorman while returning from yesterday's game.

At the request of Secretary Quinn of the club, hearing the case was postponed until after the return of the Columbus team from Louisville.

FOREST FIRES OUT.

Rains Put Out Blazes Scattered Throughout State.

By Associated Press.

HARRISBURG, April 23. — Rain last night and today put out forest fires that had been burning in the Cumberland and Susquehanna valleys in Central Pennsylvania, according to reports received here today.

Fires in Western Pennsylvania were reported under control. It is estimated that 7,000 acres of state forest reserve land were burned over in one county.

BOWIE ESTATE $11,000.

Letters of Administration are Granted in Court Yesterday.

Letters of administration were granted in Uniontown yesterday in the estate of Dr. A. P. Bowie to the Fayette Title & Trust Company. The estate valued at $11,000, will go to the children Dr. Eleazor R. Bowie and Miss Elizabeth Bowie.

Carl Snair was named administrator of the estate of his father, the late W. H. Snair of Connellsville. The estate is valued at $150.

Sharp Quake is Recorded.

BUFFALO, N. Y., April 23.—An earthquake of unusual severity, sharp and well developed was recorded on the seismograph at Canisius College here at noon today. The quake lasted 1½ minutes and was estimated to center at a distance 2,700 miles south.

DEATH TOLL HIGH IN FIERCE STORM OVER TWO STATES

Southwest is Swept by Hard Rain and a High Gale.

VICTIMS MAY NUMBER TWENTY

Fire Loss When Oil is Ignited by Lightning; Railroad Traffic is Interrupted by Floods; Two Texas Towns are Without Natural Gas.

By Associated Press

AUSTIN, Tex., April 23.—Floods that swept down Waller and Sheal creeks here last night took a toll of 15 or 20 lives, according to estimates today.

Homes were jammed in masses against the bridges and the high water flooded many business houses. Heroic work was done by citizen rescue parties, and by the fire and police department.

Of eight persons in one house which was swept down Waller creek, all but one are believed to have perished.

DALLAS, Tex., April 23.—At least eight persons dead, a heavy property damage, telegraph and telephone communication interrupted and railroad schedules disarranged by washouts, soft track and threatened bridges was the known result today of a rain and electrical storm general over nearly all of Texas and the eastern portion of Oklahoma late yesterday and last night, and which continued early today in some localities.

The known dead are H. C. Goldwire of Chilstead, Tex., killed by lightning; W. L. Bowton, of Ramsdell, Tex., killed in a trainwreck caused by soft track, six negroes of Austin, Tex., drowned in Waller creek.

In the Thrall oil field, near Taylor, Tex., tanks containing 150,000 barrels of oil were set on fire by lightning. The loss it is said, would be $75,000. Lightning started a fire in an oil warehouse in Dallas, causing a loss of $120,000.

In Oklahoma the Canadian river at Chickasha has put a new channel two miles from its old bed and 10 passenger trains were marooned there. The Santa Fe railroad has lost 1,000 feet of track at Purcell, and bridges are threatened at several points on that road by rising streams.

The bursting of a gas main at Alvord, Tex., caused by water undermining the line has left Dallas and Fort Worth without natural gas. It was not known today when the break could be repaired.

Albert Ezell, Martha Ezell Harvey King, Mr. and Mrs. King, parents of Harvey, Helen King, their daughter. Others believed to have been drowned are Mr. and Mrs. Winkler, an aged couple; Tom Quinn, a foreman engaged in rescue work; William and Rachel Curtis, two Leonard brothers and some Mexicans and negroes.

REFUSES TO BE SWORN

Springfield Township Woman Says the Bible Forbids It.

When Mrs. Lydia Schrover of Springfield township, near Mill Run, was called today at Uniontown to testify as a witness in the probate of the will of Sarah Steyer she refused to be sworn because of religious scruples. She declined to hold up her hand or make affirmation that she would speak the truth, declaring that she had read in the Bible that no one should swear by the heavens above or the earth below.

The Steyer will is one of the most unique ever probated. It is unsigned except with the initials, "S. S." and is not witnessed. Elijah P. Steyer is directed to try and keep the place together in the Steyer's name, paying $50 to each legal heir and $100 to Jacob's children, "equal divided," $10 each to Truman and G. W. Steyer and a quilt each to Ada Hostettler and Dora Nickel.

The original will was made February 19, 1911, but on February 23 of the same year a codicil was added, stating "Elijah Peter Steyer is to have the land, 108 acres, shop and barn on it, if he does what is right. Hope he will be a good boy."

The "good boy" referred to is 75 years old. The land is valued at about $1,100.

BIG FIRE IN WAYNESBURG.

Business Block Destroyed With a Loss of $112,000.

WAYNESBURG, April 23.—Fire, which for a time threatened the entire business district here shortly after midnight, destroyed a block of business houses and did damage estimated at $112,000.

The fire started in a blacksmith shop at Franklin and Washington streets from an unknown cause. Three men were injured while fighting the blaze. Among the buildings burned was that of the Waynesburg Messenger.

Says Italy Will Keep Out.

ROME via Paris, April 23.—A prominent Italian statesman said today that the participation of Italy in the war, at least in the immediate future, seems less likely now than had been the case for some time.

Train Riders Jailed.

Charles Dickson and John Fleming, train riders arrested by Special Officer Gjertsen, are serving 24 hours in the city lockup.

MRS. McCOMBS DENIES REPORT OF SEPARATION

MRS WILLIAM F. McCOMBS

AGAIN ON STAND

Theodore Roosevelt Resumes Ordeal Before Barnes' Counsel.

By Associated Press

SYRACUSE, N. Y., April 23.—Theodore Roosevelt again went on the witness stand here today for cross-examination by William Barnes, chief counsel for William Barnes.

This is the fourth day the former President has given testimony in the trial of Mr. Barnes suit against him for alleged libel.

During his cross-examination today Colonel Roosevelt said that he had regarded William Barnes as a "sort of Dr. Jekyll and Mr. Hyde who like other politicians had his good sides and his bad sides." The colonel said he did not, as suggested by Ivins, "try to sever the ligaments between these Siamese twins of politics." Quite on the contrary, he declared, he endeavored to "have the Dr. Jekyll in them absorbed by the Mr. Hyde."

The colonel seemed to be as fresh as he was on the first day. More letters offered to show the friendly relations between himself and Mr. Barnes were introduced into the record. The colonel admitted that he had complied with many of the suggestions made to him by Mr. Barnes in regard to the filling of offices in the state government during the two years he was governor.

WILL MEET HOBSON

Committee of Laymen Named to Greet Temperance Lecturer.

A committee of laymen, comprising one from each church, which will accompany the pastors to welcome Congressman Richmond Pearson Hobson on his arrival here Monday for a temperance lecture in the Colonial Theatre that evening, has been appointed. It consists of the following: Jay C. Stauffer, United Presbyterian; W. N. Lache, Presbyterian; E. T. Norton, Christian; J. A. McCreary, Methodist Episcopal; Dr. G. W. Gallacher, Methodist Protestant; D. K. Artman, Lutheran; A. E. Cable, Baptist, and E. E. Henderson, Reformed.

John Davis will lead the chorus choir which will play a part in the meeting and the official boards of all the churches will share the stage with the speakers. It is proposed to have the official board members meet at the United Presbyterian Church at 7:15 Monday evening, to march to the theatre in a body.

Congressman Hobson has informed the committee that his subject will be, "Destroying the Great Destroyer."

ODD FELLOWS TO CELEBRATE

Ninety-Sixth Anniversary of Order in America to be Observed.

The ninety-sixth anniversary of the institution of Odd Fellowship in America will be observed at a meeting at General Worth and William McKinley lodges and the Rebekahs in the Odd Fellows' Temple, Sunday afternoon. The principal address will be delivered by Rev. J. S. Showers, who is a member of the order, and there will be a musical program in charge of L. G. Hoover.

It was originally planned to dedicate the new temple in connection with the anniversary but this was given up because of a big celebration at Washington, Pa., which would not permit the grand officers to come here. The big musical revue, however, will be given next Thursday night in the Colonial Theatre.

Will Marry on Wednesday.

The marriage of Miss Lucelle Sobasky of Thompson No. 2 and Frank Drury of Scottdale, will be solemnized Wednesday morning, April 28, at 9 o'clock at the Catholic Church at Footedale.

LEGISLATORS ARE HERE TO INSPECT COTTAGE HOSPITAL

Subcommittee Visits Connellsville in Tour of This Section.

DUNCAN SINCLAIR IN CHARGE

Upon Leaving Here the Legislators Will Visit Both Uniontown and Brownsville, Mount Pleasant First Stop to be Made by the Party.

A subcommittee of the House appropriations committee is in this section today making a tour of charitable institutions of Fayette and Westmoreland counties. They spent the morning in Mount Pleasant looking over the Memorial Hospital there and arrived here shortly after noon to visit the Cottage State Hospital. The party took dinner at the Yough House.

The party is in charge of Duncan Sinclair, subchairman, of Brownsville. The others are Thomas P. Gerry, Pittsburg; Joseph G. Steadle, McKees Rocks; John B. Coldsmith, Mount Pleasant; Harry R. Myers, Washington, and Adam C. Schaeffer, Mahanoy City.

On their recommendations after viewing the Cottage State Hospital and investigating the need of an addition, thus making a general hospital of the institution will largely depend the fate of the proposed bill asking a $50,000 appropriation to make the improvements. The House bill appropriating $21,500 for the maintenance of the Cottage State Hospital was reported out yesterday. Part of this sum is to cover the paving assessment when Cottage Avenue is bricked this summer. The committee approved the entire amount as used by the trustees.

Petitions generously signed by residents of Connellsville and the surrounding territory have been forwarded to Harrisburg in support of the movement to secure funds for a general hospital here. The movement was started at a meeting of doctors several weeks ago and the hospital trustees immediately gave their support to it.

Leaving here this afternoon, the committee will visit the Uniontown hospital and the new hospital at Brownsville. They are expected to return to Harrisburg on Monday.

FAVOR CHURCH MERGER

United Brethren and Methodist Protestant Merger May Go Through.

Members of two local churches are interested in the meeting at Indianapolis where final steps toward the proposed union of the Methodist Protestant and United Brethren denominations are being discussed by 28 bishops and high officials of both churches. The Methodist Protestants have already agreed to the proposal but the question will have to be submitted to a referendum vote of the United Brethren membership. It is said that practically all of the bishops are in favor of the merger.

For six years the two churches have been working toward a union and each side has accepted the syllabus of union, but there has been considerable hesitancy over property interests. The communicants of both denominations number 500,000.

If the merger goes through the new church will be known as the United Protestant Church and other denominations of similar doctrine will be asked to join.

MEN'S CLASS TO ADVERTISE

Christians Will Use Printers' Ink to Boost Membership.

Commencing with tomorrow and continuing each Saturday for three months, the Men's Bible Class of the Christian Church will advertise in the local papers, extending invitations to all persons, especially strangers, and those not affiliated with any other denomination. This was decided at a meeting of the class held last evening in the church. The advertising will be in the hands of the publicity committee.

A committee to arrange for the Mothers' Day services Sunday, May 9, was appointed as follows: J. M. Grey, Smith Buttermore, D. S. Marsh, J. W. Lazelle and Jesse Barnes. A banquet to be held some time in May was proposed and a committee on arrangements composed of George Reagan, John Stillwagon, Charles Caldwell, Edward Ringler and Henry Kurtz was appointed. Musical selections were rendered.

LONG WAY TO TIPPERARY

This One Goes Sailing Down Yough With a Gust of Wind.

Some young woman in town is mourning the loss of a nice white Tipperary hat and she blames the severe wind for the whole affair. The wind is guilty, too, for in crossing the Yough bridge it took the hat from her head and deposited it in the river.

All the owner could do was gaze sorrowfully at her headgear sailing down stream and fall at the hurricane.

Mann Is Active Candidate

SPRINGFIELD, Ill., April 23.—Congressman James R. Mann is an active candidate for the Republican nomination for President. Petitions for Mann's nomination as a candidate in the Illinois Presidential preferential primaries next spring were in circulation in Springfield today.

EVERYTHING READY FOR WILD LIFE LEAGUE BANQUET

Dr. Joseph Kalbfus to Address Students of High School This Afternoon.

Those in charge of the Wild Life League banquet in Odd Fellows' Hall tonight report that everything is ready. Preparations have been made for 500 persons and it is believed every place will be occupied when the serving begins promptly at 7:30 o'clock.

The decorations are unusually elaborate. Variegated electric lights have been strung about the banquet hall and a camp-fire has been built and put in place, all ready to be lighted up when the guests arrive. Three Broadway merchants have advertising booths on which all sorts of sporting paraphernalia are displayed.

Dr. Joseph Kalbfus, secretary of the state game commission, who is to make the principal address will arrive in the city shortly after noon and will make an address to the high school students before the afternoon session closes. J. B. Sansom, editor of "In the Open," and John M. Phillips, of Pittsburg, will also make addresses.

J. P. Angle, president of the Connellsville Wild Life League, will be toastmaster. Mr. Angle today extended an invitation for everyone to come and see what the Wild Life League is doing and what it proposes to do. No man who loves nature and the wild life in the open should miss it, he says.

GLOBE TROTTER HERE

Japanese Writer is Gathering Material for a Book.

J. Miya-Gawa, a writer of Nagasaki, Japan, was in Connellsville this morning on his way around the country. He is walking most of the distance, having started from Vancouver, B. C., in March, 1914. He left Washington on Monday and is headed for Pittsburg, Chicago, St. Louis, Salt Lake City and San Francisco. The globe trotter obtained autographs of Mayor Marietta, city officials and other leading citizens before leaving for Greensburg this afternoon.

Mr. Miya-Gawa is walking most of the distance, although he doesn't spurn railroad trains. He isn't walking on a bet, or lecturing for his keep, which distinguishes him from the average globe trotter visiting town. He isn't in vaudeville, either.

MISSIONARIES ARE SAFE

Those Known Here Not Harmed During Trouble at Singapore.

In a letter written by Rev. H. B. Mansell, formerly of Fayette county, describing the recent insurrection in Singapore, he stated that all American missionaries escaped harm. Miss Carrie Kenyon of this city did not leave Kuala Lumpur to go to the conference and so missed all the excitement.

The Mansells were at Singapore, but suffered nothing save the inconvenience of taking their three children who were victims of whooping cough at the time, on board a ship in the harbor.

Rev. Mansell has been at Singapore for the past six years. He spent part of last year in the United States, returning to his work in November.

EXPECT BIG FRUIT YEAR.

Lateness of Season Is a Good Sign. Farmers Declare.

Farmers declare that 1915 should be a record breaking fruit year. They are rather more pleased than otherwise at the lateness of the season. If spring had come early, they say, causing the sap to rise in the trees and the buds to spring, only to be blighted by frosts, the prospects of a fruit crop would have been less bright.

The rain of this morning will be of great benefit to the crops. It was a steady spring rain and the earth was thoroughly saturated. The weather prediction calls for showers again tonight.

HORSE RUNS AWAY.

Rider's Umbrella Annoys Animal and It Gets Beyond Control.

While riding out North Pittsburg street this morning on a spirited horse, a driver from Dull's livery stable had a narrow escape when the animal got beyond control. The rider was carrying an umbrella to protect himself from the rain and this annoyed the horse.

The rider had no saddle and when the horse got to prancing around pretty wildly, he threw his umbrella away, sweyed the horse into a wagon and slipped to the ground. The animal went on and was captured by a man some distance up the street.

NEGRESS IS HELD.

Must Face Court on Charges of Keeping Disorderly House.

After a hearing on a charge of keeping a bawdy house at Dutch Bottom, Esther Wilhelm, colored, was committed to jail by Alderman Fred Munk this morning in default of bail.

The woman was arrested yesterday morning by Chief of Police Bowers, and Constable Rottler. She made such a disturbance that it was necessary to carry her, kicking and screaming to the city hall lockup in a wagon. All day she kept up a continuous line of wails and screams.

Alabama Makes Loan.

MONTGOMERY, Ala., April 23.—Alabama's financial difficulties have been temporarily solved by a loan of $1,000,000 negotiated by Governor Henderson in New York.

Sprains His Ankle.

W. B. Boots of Elwood City, a Baltimore & Ohio brakeman, fell from a car yesterday suffering a sprained ankle. He was admitted to the Cottage State Hospital for treatment.

S. CONNELLSVILLE HAS LIVE INDUSTRY IN ITS GLASS PLANT

Prosperous Enterprise Occupies Site of Old Auto Factory.

IT IS QUIETLY MAKING GOOD

The Mill May Be Gone, Along With Hopes of Automobile Ascendancy But Ripley & Company Are Working Steadily and Payroll Not Small.

The recent reminiscent articles concerning the reasons why the Humbert tin plate mill left Connellsville and why the Baldwin automobile works died, bring to mind the fact that a thriving industry now occupies the very buildings in which the Baldwin automobiles were produced. While the automobile factory might have grown into a great industry, the fact remains that the glass works of Ripley & Company has been a big thing for Connellsville industrially.

A trip through the glass works is well worth while, in that it gives one a conception of what the plant is and the work it does. As one of the members of the firm stated to the reporter "People have an idea that there is a little glass house out here at South Connellsville, it might be a good thing to tell them a thing or two about us."

The Ripley glass works has employed as high as 210 persons, during busy seasons. There are, however, about 140 on the payroll at the present time. All kinds of lead and lime glass are manufactured and shipped to all parts of the world. Recently the firm turned down orders from South America because it would require about two months for the goods to reach their destination and four months more before remittances would be received. The business was inviting, but to wait SIX months for payment, made orders in this country look very much better.

A line of ornamental glass bowls and shades is manufactured by P. Pratt & Company of New York, who contract for the entire output of the Ripley plant. This is fine work, some especially pretty pieces being made from time to time. An arrangement with the Pratt company makes it possible for some of these pieces to be sold locally through the Ripley people.

During a reporter's trip through the plant, one glass house was engaged in making large fruit dispensers, for which there is a big demand as the summer season approaches. These are used to hold various cooling drinks sold at fountains during hot weather.

The equipment of the plant is very comprehensive and represents the investment of a large sum of money. Some of the moulds in which the ornamented fabrister bowls are blown cost as high as $500 each.

The employes of the Ripley plant are well paid. Some of the expert glass workers earn from $30 to $42 a week, working by piece work. The gathering boys, who "gather" the glass from the furnaces, earn as high as $18 a week.

The plant is in direct charge of D. A. Ripley, the general manager. John Barker, secretary-treasurer of the concern is in charge of the office end of the business. Mr. Ripley has a little workshop at the plant where he figures out new ideas to be worked out in the glass manufacture. The composition of the glass is known only to Mr. Ripley and one of his firemen.

CLEAN UP DAY IN MAY

Board of Health Will Soon Move to Improve Sanitary Conditions.

The Board of Health will take steps to bring about its annual clean up of the city about the first week in May, according to Health Officer George Hetzel, who has been discussing the matter with Dr. C. W. Utts, president of the board.

As announced previously, it will be on different lines. The police will be asked to report unclean premises throughout the city and the Board of Health will use its authority to compel the owners to do the cleaning. Last year clean up day was conducted by an organization of volunteers and about 500 loads of refuse were hauled away. Those who worked hardest, however, declare they will not do it again because they claim the work developed on a few persons. They also charge that residents took advantage of the movement to have refuse hauled away for which they should have paid.

Last year there were scores of ramshackle buildings torn down. An effort will be made to have more of these removed this year. There are many of these that have no use and are merely eyesores.

The owners of the old Church of God on Murphy avenue, which was partly gutted by fire about a week ago, will be notified to tear it down, and there are many others of like character which should go.

Man Sentenced from Fayette is Victim of Brain Disorder.

By Associated Press

PITTSBURG, April 23.—Thomas Chudick of McClellandtown, Pa., sentenced last January from Fayette county to serve from 2½ to 5 years in the Western Penitentiary, died in that institution today from abscess of the brain.

Chudick was charged with entering a building to commit a felony.

GOOD ROADS CLUB AT SCOTTDALE IS GIVEN BOMBSHELL

Records Show Them Possessors of 60 Miles of Highways.

IN FACT HAS NOT A FRACTION

Assistant Engineer Says East Huntingdon Is Charged as Having More Improved Highways Than all the Rest of Townships of Westmoreland.

Special to the Courier.

SCOTTDALE, April 23. A bombshell burst in the Tuesday night meeting of the Scottdale and East Huntingdon Good Roads Club here Tuesday night that, while it resulted in no fatalities, took the breath of the crowded room at first and then threw the meeting into a fighting mood such as nothing else in Scottdale since the good roads agitation was revived.

The bomb fell when it was learned that in East Huntingdon township 100.11 miles of the 107 miles are already 75 miles of improved highways practically 60 per cent of the township roads improved. These are the official figures filed with the State Highway Department in Harrisburg. The records were made in 1913 and have stood unchallenged until the township setting anything.

Assistant County Engineer H. B. Lefevre, the figure about with those of every other township in Westmoreland county, showed that East Huntingdon is recorded in Harrisburg as having more than all the other townships put together. The fact is that the township has not a fraction of a mile of these roads.

Engineer Lefevre who worked on the figures placed them in Greensburg, but worked on the first records took, and county road in the county, and has had long experience in Ohio before coming to Pennsylvania, explained the rule of 1-4 in prepared under which the township got improved.

The meeting after hearing this fell into a fearful silence that finally was broken by Lefevre. Then it showed among others will Engineer Lefevre that if Huntingdon township has 6.115 miles of improved road, Mount Pleasant town ship 7.07 miles of improved road, North Huntingdon 5.82 miles, Hempfield 3.6 miles, Sewickley 1 mile and Hempfield town ship 2 miles and in short there are 25.6 miles of road in Westmoreland county with 97 miles improved and East Huntingdon township has 60 miles improved, she is in very good hope.

Some one offered the suggestion that the supervisors had misjudged the roads that they had worked over or being improved. The club members go down to losing and adjourned for a meeting with county commissioners soon.

Dr. C. W. M. Ke who has been doing secretary service in organizing the club spoke of the enthusiasm he had encountered everywhere. He had been assisted by Secretary of New Stanton Ex. At Hanker, who lives in Hempfield town ship. 10 new members joined the club within the last few days. The letter he had been unable to get on with Hempfield on account of the official hours of 100 to 4 o'clock. Arrangements have been made with Hempfield to meet the Hempfield Council on this week.

Dr. McKee was elected upon the committee with which will meet with the county commissioners. Dr. McKee said he desired to know exactly what was done. The people may not feel on promises for a good while but the expression was made that promises will have to be made good hereafter and that the summer is before the end. The demand for the improved highways from Scottdale up to Mount Pleasant and Hunker to Greensburg in a firm way and those who come at the time are expected to do so. Nothing has been done as it appears for the sake of good out west of town.

What ever the cause the club feels that East Huntingdon has been placed in an unfavorable light in the records on the roads and they are determined to straighten it out. There is separate and combined action by those present to their wish to do everything in their power to help the good roads along. An expressed unanimousness in the meeting the time has come when the roads must be defined and no demarcation will be sanctioned.

President of the D. W. Lefevre presided over the meeting.

CAREFUL DOCTORS

Prescribed Change of Food Instead of Drugs.

It takes considerable courage for a doctor to deliberately prescribe only food for a despairing patient, instead of resorting to the usual list of medicines.

Some truly scientific physicians do this and treat conditions as they are and should be treated. Here is one instance:

"For years I was beset with nervousness and nothing would seem to help me, so that I was on the verge of exhaustion.

"I heard of a doctor who had a sanitarium where no one specialized except Nuts and as a last hope I went to him.

"After he examined me carefully he said: 'You have tried all sorts of drugs. Nuts at first that is my specialty, but we must go to the root.'

"I stayed with him and gradually began to improve. Now after six months I am entirely well, strong and happy. I have gained 30 pounds and never felt better in my life.

"Now if you want to get Nuts Meal Products they are sold by your grocer. Their address is Battle Creek, Mich. Read the little Health Classic in pkgs. Three cooking secrets."

GREAT GAIN IN EXPORTS

American Business Abroad Reaches New High Record.

WASHINGTON, April 23.—Excess of American exports over imports in March of this year was $149,069,47. The balance of trade in favor for March in the history of the American commerce. Exports for the month were $329,000,716 and imports $180,000,243. For the nine months ending with March imports have decreased from $1,903,811,176, in 1913-14 to $1,448,778,148 in 1914-15 and $1,432,272,811 in the current year.

Exports which record from $1,088,000,000 in the first nine months of the fiscal year 1913-14 to $1,388,221,935 in 1914-15 have now reached the unparalleled total of $1,478,478,780 indicating that the complete normal movement of the total exportation of the present fiscal year will be $2,000,000,000. Gold imports during March increased $25,000,000, against $7,812,243 in March 1914. Exports were $21,811, against $2,000,000 in March 1914.

The Colonial

"HIGH JINKS."

"High Jinks" the musical comedy which Arthur Hammerstein will present at the Colonial Theatre Wednesday, April 28, concerns Rolf with a wonderful perfume that makes the girls kiss the stupid clever, the ill well and everybody in general, libertine. The first scene is in Dr. Thornes flower garden near Paris the second in a French bathing resort in the afternoon and the third at the same place on a moonlight evening. The action is not monopolized by one or two people but shared by a large cast all of whom are given funny things to do. Nearly all the numbers are introduced by dancing that favorite trick for getting up musical shows that have not enough life in their beginning to compel them to evening entertainment. They are not needed in High Jinks. There is a merry enough story in the plot and the many musical numbers that fall naturally with the action furnish plenty of variety of the tuneful sort. Adelaide Lawrence and Jerome Daley are the principal comedians while Grace Fisher, Ethel Johnson and Ethel Wilson are the principal dancers.

Seat sale opens at Hastons, Saturday.

SOCIAL and PERSONAL

A well appointed dinner was given Thursday at the home of Mrs. Samuel S. Strickler at Vanderbilt by Mrs. Belle McClain and Mrs. L. P. Bate, daughters of Mrs. Strickler. The affair was in honor of the seventy-sixth birthday of Mrs. Strickler and in commemoration of the occasion she was presented by her friends with a number of useful gifts. Covers were laid for Mr. and Mrs. J. P. Bate and daughter Belle, Connellsville; Dr. Ed Cooper and daughter Miss Maude, Vanderbilt; Mrs. Charles Seaman and daughter Emma Mae, and sons Ed and Allen Foster of Dexter on Rte. Mr. and Mrs. Frank E. Bailes, Vanderbilt. A grandson Charles too young and fancy, could not be present.

The initiation of members of the daughters of Isabella composed of young women from the Immaculate Conception Church will take place Sunday afternoon in the Knights of Columbus Hall in the D. & T. Building. Following the initiation an hour will be given in the Immaculate school hall. Visitors from Latrobe, Greensburg and Pittsburg will attend.

The J. B. C. L. Euchre Work Club was delightfully entertained last evening by Mrs. Roy Moore at her home in Pittsburg street. The evening was pleasantly spent at fancy work after which refreshments were served.

The Kings Heralds of the First Methodist Episcopal Church will hold a food sale tomorrow in the church annex.

A 10-cent tea was held yesterday afternoon at the home of Mrs. S. S. Marshall for the benefit of the Methodist Protestant Church.

Help the Stomach Digest Your Food

When the stomach fail to digest and distribute that which is eaten the bowels become clogged with a mass of waste and refuse that ferments and generates poisons that are gradually forced into the blood causing distress and often serious illness.

Most people naturally object to the drastic cathartic and purgative means that shock the system. A mild, gentle laxative positive in its effect and that will quickly relieve constipation is Dr. Caldwell's Syrup Pepsin, sold by druggists at 50c and $1 a bottle. It does not gripe or cramp but acts easily and pleasantly and is therefore the most satisfactory remedy for children, women and elderly persons. For a free trial bottle write to Dr. W. B. Caldwell, 152 Washington street, Monticello, Ill.

THE EASIEST WAY TO END DANDRUFF

Stop Falling Hair and Itching Scalp.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to keep your hair looking rich, do by all means get rid of dandruff, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it straggly, straggly, dull, dry, brittle and lifeless and everybody notices it. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

MRS. THOMSON TELLS WOMEN

How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pains were intense in both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound to me and I tried it at once and found much relief. After that I had no pains at all and could do my housework and shopping the same as always. For years I have praised Lydia E. Pinkham's Vegetable Compound for what it has done for me, and shall always recommend it as a woman's friend. You are at liberty to use my letter in any way."—Mrs. THOMSON, 649 W. Russell St., Philadelphia, Pa.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

A Safe Investment

"A penny saved, a penny earned: and pennies wasted, dollars spurned." Franklin was a wise man and his sayings are just as true today as when spoken 200 years ago. Today, however, the people consider a penny too trifling to bother about. Who cares for a cent! But, if every person in the city of Connellsville would save a cent every day for a year it would make the immense sum of one hundred thousand ($100,000) dollars.

RHEUMATISM IN JOINTS

Pain Disappears and Swelling Vanishes in a Few Days.

That is what happens if you use Rheumo, the wonderful remedy that A. V. Clarke and all druggists sell on the money back if not cured plan. There is a vast amount of rheumatism in this vicinity and if you know any sufferer call his attention to this generous offer.

Rheumo is a quick acting prescription. You will know your rheumatism is leaving 24 hours after you take the first dose. It dissolves the uric acid and drives it from the joints and blood.

Mrs. Alice A. Prowe, Ithaca, N. Y., writes: "For seven years I suffered greatly with rheumatism in my hip at night I was scarcely able to sleep. One bottle of Rheumo cured me."

That sounds miraculous, but Rheumo does miraculous things. Fifty cents a bottle.—Adv.

FRIDAY EVENING, APR. 23, 1915.

REGISTRATION.

Judge Robert E. Umbel has retired from the bench, but he has not retired from the business of reforming the registration of Fayette county. Last fall the Democratic organization made a great pretense of purging the registry lists of some of the townships, and Judge Umbel ordered a number of names to be stricken off. Inasmuch as this proceeding was had on the eve of the election, and was apparently staged to create the impression that Republican frauds of gross character were about to be committed, it was justly regarded as a mere ploy in the political game.

Possibly to demonstrate to the public that his interest in the matter was public spirited and sincere, Judge Umbel has followed the matter up in his private capacity by circularizing at his own expense the registrars of Fayette county calling their attention to the laws regulating their duty and their conduct therein.

The registration of last year was in some instances made in accordance with custom rather than the strict letter of the law. The Courier would advise that the requirements of the law be strictly followed.

We think we can speak for the Republican organization of Fayette county when we say that it wants a full, complete, accurate and lawful registration of the voters. The Republicans will have plenty of honest votes at the polls this year and next. They have no reason to seek any other kind. All they plan to do is to get the honest vote out, and to prevent the opposition from buying the dishonest vote at the back gate while it cries aloud its own public virtues from the front porch.

The Democratic administration has made the county and the country Republican as it never was before. God forbid that the Republicans should interfere with this good work.

The Uniontown Standard criticises The Courier for being opposed to the Full Crew bill and having the courage to say so. That reminds us that neither of the Democratic organs of Fayette county has yet made clear its position on the question. They are brave soldiers, after the battle is over.

It was all a mistake about the circus not coming around this summer.

The News thinks it is hardly possible that the alleged assailants of the Shultz girl were women because they spoke no words while engaged in their dastardly work. Editor Thompson is the making of a sleuth.

The latest from the front is that Germany is fighting for Hill 60. They must be fighting like sixty there.

Phantom Hunter Higbee doesn't want the assessors to register the voters alphabetically, but he does not give a very intelligent reason for it. In the matter of registration it might be well not to lose sight of the fact that it neither makes nor unmakes lawful votes.

The European War has a rival in the public attention. The baseball season has begun.

It is beginning to become a conviction in the minds of many that an efficient fire-fighting service is essential to forest preservation. If so it should be provided. Now that we have entered upon the work of conservation there should be no turning back.

Under the newest ruling in legislation, the man who advertises Painless Dentistry does so at his peril. He has to make good or be liable for damages.

The Uniontown Standard intimates that The Courier does not love the workingman. The Courier's columns may speak for themselves, but if the workman is wise he will put little faith in the organ which always begins to slobber over "the poor workingman" about election time.

The Florida winter flivvers are coming back to Connellsville for the summer.

The Good Roads movement has reached Scottdale. Westmoreland county is a leader in road reform. Scottdale is on the edge, but it proposes to get there.

Jupiter Pluvius is the best forest fire fighter we have, but he is not dependable. He works only when he pleases.

T. Roosevelt is a swift witness in his own behalf. He is so swift at times that neither the court nor the counsel can keep up with him. What he doesn't get to the jury isn't worth keeping track.

The Connellsville fire department was kept busy this week watering out the forest fires in the twilight zone.

Connellsville's excitement yesterday included a runaway horse and a runaway automobile. The horse got away with it, but the machine couldn't come back.

The Skelly mystery is too much like a movie thrill.

Personating a person is not half so often as personating a veteran, and there is no penalty for the latter while a man may go to jail for the former.

Too much dynamite is being used to settle private differences of opinion. The policy of present day government is to governmentally regulate everything dangerous. Why not dynamite?

Trustee's Sale.

BY VIRTUE OF AN ORDER OF THE District Court of the United States for the Western District of Pennsylvania, made at No. 7503 in Bankruptcy, the undersigned Trustee will offer at Public Sale, on the premises, in the Sixth ward of the City of Connellsville, near the Pennsylvania depot, on SATURDAY, MAY 1st, 1915, at 2 o'clock P. M., all the property of the Yough Crystal Ice & Storage Company, a bankrupt, consisting of a large ice factory and ice factory and ice cream factory, and a cold storage plant combined, fully equipped with all necessary machinery, horses, wagons, auto trucks and other equipment necessary for the manufacture and delivery of its products.

The sale will be made as a unit of all of the property of the said company, and includes the following real estate: Lots Nos. 11 and 12 in the Ashman & Torrence Addition to the City of Connellsville, and the western end of Lot No. 9, being 55.3 feet by 40 feet; the western end of Lot No. 10 in the said Addition, being 55.3 feet by 10 feet, and a strip of land 10 feet in width and 74 feet in length, extending from the front of Lot No. 10, on which lots are erected the plant and buildings of the company; also a lot 66 feet by 135 feet situate in the Third Ward of the City of Connellsville, along the line of the Southwest Pennsylvania Railway, bounded by lot formerly of J. M. DuShane, and lot formerly of Andrew Pritchard's heirs; also, lot No. 14, on Eighth street, being 36 feet by 76 feet, and also the north half of lot No. 25 in the general plan of the original town of Connellsville, situate on Grape Alley.

The said real estate is subject to the lien of a mortgage of $40,000, held by P. M. Husband, payable April 1, 1917, with interest thereon at the rate of six per centum per annum, payable semi-annually. The interest thereon is paid to October 1, 1914, and the said sale will be made subject to the lien of the said mortgage.

The property above described is a complete ice factory, in good order and condition, having a daily capacity of 75 tons, and is the only factory of its kind in the said city. The population served by it is approximately twenty thousand.

Terms of Sale—Ten (10) per cent of one-third on day of sale, balance of one-third on confirmation of sale, one-third in six months, and one-third in one year from the confirmation of sale. The deferred payments to be secured by purchase money mortgage, with ordinary Scire Facias clause, and to bear interest at the rate of six (6) per centum per annum, payable semi-annually.

For further particulars and description of property, apply to the Trustee, at his office in the Second National Bank Building, Connellsville, Pa.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! If Tongue Is Coated Give "California Syrup of Figs."

Every mother realizes after giving her children "California Syrup of Figs," that this is their ideal laxative. Once they love its pleasant taste and it thoroughly cleanses the bowels, stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is foul, stomach sour, tongue is coated or child has colic, stomachache, indigestion, diarrhoea, indigestion, colds—remember a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy. They know a teaspoonful today prevents a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here. Get genuine. Refuse any other fig syrup. Insist—Adv.

STOMACH TROUBLES DUE TO ACIDITY

SO SAYS EMINENT SPECIALIST

Sour, sick stomach troubles, such as indigestion, wind and stomach-ache are invariably nine cases out of ten simply evidence that fermentation is taking place in the food contents of the stomach, causing the formation of gas and acids. Wind distends the stomach and causes that full oppressive feeling sometimes known as "gas," which presses the delicate lining of the stomach. The trouble then controls in the fermenting food. Such fermentation immediately and wholly counteracts the digestive juices, thus preventing the proper digestion of the food, which should be taken in quite the reverse effect. To stop or prevent fermentation of the food contents of the stomach and so neutralize the acid and render it bland and harmless, a teaspoonful of Diamond Magnesia tablets, probably the best and most effective form for sour stomach known, should be taken in a quarter of a glass of hot water immediately after eating, or when sour, wind or acidity is felt. This gets the fermentation and neutralizes the acidity in a few moments. Fermentation, wind and acidity are dangerous and unnecessary and prevent them by the use of a teaspoonful of such as Diamond Magnesia tablets, which can be obtained from any druggist and thus enable the food to do its work properly, without being hindered by poisonous and dangerous acids.—M. L. H.—Adv.

About Rheumatism.

People are learning that it is only a waste of time and money to rub liniments externally for rheumatism and other rheumatism and about nine out of a hundred cases never get the drug of the system. All that is usually necessary to afford relief is to apply Chamberlain's Liniment for a few days. Mrs. H. Miller Pegans, of Enid, writes: "I have used Chamberlain's Liniment for rheumatism and it always gives relief." For sale by all dealers.—Adv.

USING SOAP SPOILS THE HAIR

Soap should be used very sparingly, if at all, if you want to keep your hair looking best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just common mulsified cocoanut oil (which is pure and greaseless), to be had at any drug store. It is better than soap or anything else we know.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply apply to the hair as you would water, rubbing in a little more as the lather appears. Every particle of dirt, dandruff and excessive oil is dissolved. The hair dries quickly, and evenly, and it leaves the scalp soft and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulsified cocoanut oil at any pharmacy, and a few ounces will supply every member of the family for months.

APPROPRIATIONS ARE CUT IN THE HOUSE COMMITTEE

Colleges Get a Smaller Sum Than Had Been Expected.

COTTAGE STATE NOT REDUCED

Local Institution Gets Full Amount Asked; Governor Vetoes Bill Designed to Free Traction Engines From Tax; Other Bills Are Signed.

HARRISBURG, April 23.—Though the University of Pittsburg does not get what its friends fought for in the appropriations committee it is well cared for in the bill reported to the House from James F. Woodward's committee. Pittsburg asked for $1,275,000 and influential friends tried to persuade the committee to grant at least $800,000 so that the institution would be able to take advantage of offers of money for building purposes made contingent upon the ability to raise a sufficient maintenance fund. The bill has been amended to carry $650,000. The University of Pennsylvania, which asked $1,750,000, is given $900,000, and though the State College appropriation is not yet out of committee it is known that the House and Senate committees have agreed that it shall also be cut to $900,000.

About 20 western institutions, schools, etc., are represented in the 60 appropriation bills sent to the House yesterday morning; there are still more than 425 bills in committee. About 1/9 of them will be released next week. The remainder will be held until the exact revenues for the next two years are known which means that they will suffer the greatest cuts if further cuts are necessary. Among these measures are the ones offered for Duquesne University and many homes and sanitaria in the western counties. The bill of the Western Pennsylvania Institution for the Blind in Bellefield avenue, Pittsburg was frightfully cut, while a similar institution in Philadelphia was given more money than was set forth in the original bill.

The Cottage State Hospital at Connellsville is given $25,199, the full amount asked.

The House reported on the calendar the standard fire policy and Risley fire regulation bills defeated last week.

A resolution offered by Representative Phillips of Clearfield for conference and action to fight forest fires and authorizing necessary funds therefor was adopted.

An attempt to pass a bill relating the price of censoring moving picture films from $2.50 to 50 cents was objected to and the bill made a special order for 10 o'clock next Monday night.

The House finally passed bills exempting bequests in trust for preservation of burial lots from payment of collateral inheritance tax repealing section of act of 1901 relating to widths of tires on wagons providing the system of contracts for supplies by department of public grounds and buildings, authorizing assessors in townships to enter into contracts with water companies for fire protection Senate bill, amending Tinkling acts in order to allow suits for recovery of real estate. The House adjourned until 8 o'clock next Monday night.

Governor Brumbaugh approved the Phillips game bill for the better protection of game and game birds in the state enforced by the State Game Department and the sportsmen's associations of the state.

He also approved many other measures including those making the blind in all cases for divorce a competent witness, repealing the powers and duties of the officers of the forestry, game and fish departments so that they may enforce all laws relating to these departments, authorizing the judges of courts of common pleas of judicial districts having separate orphans courts to hear and determine all matters in such courts at the request of the judges thereof forbidding school directors in third class cities to serve as committees, amending the act of 1911 authorizing certain corporations to issue preferred stock authorizing J. P. Swartzlander of Greene township, Fayette county, to bring suit against the state in the Dauphin county courts for injuries to his son alleged to have been sustained upon a state highway through negligence of state employes.

The governor vetoed the bill repealing the act to tax traction engines, saying: "These engines use our highways and are as much a subject of taxation as a horse or any other personal property."

NEW DISCOVERY FOR ECZEMA

Doctors Having Great Success with Amolex

Amolex is performing wonderful cures after all other remedies have failed. It is the prescription of a well-known physician who has used it in his private practice. For the first time it is now offered to sufferers of skin diseases at the leading drug stores. A well known doctor in Youngstown O. writes "I have used Amolex in four bad chronic cases of skin diseases all of which showed a marked improvement from the start. Two are entirely cured.

Amolex Ointment will quickly relieve pimples on the face blackheads, and clear up a muddy complexion. Bad chronic cases of eczema, psoriasis salt rheum, tetter lasting for years require both the Amolex solution and ointment to effect a cure, commended by Loughrey Drug Co. —Adv.

CODDLING THE STOMACH

The So-Called "Scientific" Feeding.

In this 20th century of advancement, people are too apt to listen to new theories and put into practice new-fangled notions of feeding. Not only do adults follow the so-called "scientific systems" but they cram down the mouths of their children such scientific soft foods that require no exercise of the digestive organs, and the children are apt to become fragile and their stomachs too weak to take in strength-giving food and be able to assimilate it. This is a hothouse condition that no man, woman or child should permit. The muscles of the stomach require exercise just as any other muscles of the body neglect them with too much ease and inaction and soon raise a dyspeptic. Use a tonic made of medicinal herbs which will stimulate the stomach into greater activity—a remedy which will do this is one which has stood the test of public approval for over forty years, containing no alcohol or narcotic. We refer to Dr. Pierce's Golden Medical Discovery.

It arouses the little muscular fibres into activity and causes the gastric juices to thoroughly mix with the food you eat simply because it supplies the stomach with pure, rich blood. It's weak, impure blood that causes stomach weakness. Get good blood through the use of Dr. Pierce's Golden Medical Discovery, and you will have no more indigestion.

Sick people are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential.

MOUNT PLEASANT, April 23.—A W. C. T. U. institute was held in the Methodist Episcopal Church at Tarr yesterday of the unions of Scottdale, Mount Pleasant, Alverton and Tarr. Devotional exercises were conducted by Miss Mulema Anderson. "The Next Step," was discussed by Mrs. George McNish. Mrs. W. W. Bicher discussed "World Wide Advance Toward Prohibition, and Woman Suffrage, and the Relation Between the Two." Mrs. J. L. Updegraph had a reading, "The Anti-Suffragist." Problems confronting the local union were looked after by Mrs. G. W. Stoner and the question box was conducted by Mrs. C. A. Colborn. The old officers were re-elected and are as follows: President, Mrs. George Grant of Tarr; secretary, Mrs. Lucy Poole of Scottdale; secretary, Mrs. Will Hill of Alverton, treasurer, Mrs. J. L. Updegraph of Mount Pleasant. A chicken and biscuit dinner was served to the sixty ladies present.

The evening services was opened with devotions by Mrs. Lilen Wright, following this was the silver medal contest. This was won by Adrian Loomis and his subject was "A Great Slavery." There were seven contestants. The judges were Rev. H. L. Cobb, Miss Anna Duncan and Mrs. J. L. Updegraph. There was also a song by fifteen light bearers. A number of little girls wearing grey bonnets and white ribbon sang, "Put On Your Old Crusader Bonnet With The White Ribbon On It." The next institute will likely be held in Mount Pleasant.

During Tuesday nights severe electrical storm a barn belonging to Hitchcocks' in Parkstown was struck with lightning and the top torn off and side torn out.

Miss Margery Stewart who teaches chemistry at the high school with O. C. Galley and Miss Walker, took the junior class to the Corrigan McKinney Company's works at Scottdale and saw them make a cast and after running the heat they saw them make an analysis of the iron under the direction of Chief Chemist Wendler. This was quite a treat to the class.

Mrs. Jesse S. Smith entertained the Ladies Club at her home on Walnut street last evening.

The S. P. O. Dramatic Club will some time in the near future stage "Between the Acts" for the Youngwood Temple Club.

ATLANTIC GASOLINE

Sold at the Best Garages

Atlantic "Gas" has the get-up-and-get that puts punch and power in motors and extension in mileage. It has a liveliness that gives a clean, sharp explosion, making starting easy in all kinds of weather. It has a uniform "boiling point" that assures every gallon you buy to be exactly like the last; once your carburetor is adjusted, you don't need to fiddle with it every time you put in a new lot of "gas." Atlantic Gasoline is literally liquid power. It is gasoline—good gasoline—to the last drop. It has this and does that because it is made from the finest crude oil that flows—made to a definite standard by the oldest and largest refiners in the State. Use Atlantic Gasoline regularly and consistently and note the difference.

Atlantic Polarine is the 100-percent lubricant that flows freely at all temperatures. It keeps upkeep DOWN.

RIDGELY WOMAN FINDS CURE FOR KIDNEY TROUBLE

Mrs. J. F. McKenzie of 11 John St., Ridgely, W. Va., Makes Public Statement.

SHE SUFFERED FOR TWO YEARS

Interesting Statement in Praise of Inter-State Doctors Medical System.

Kidney trouble is the common affliction of thousands of sufferers in and about Connellsville, and the following statement from a former sufferer must interest all sick people.

Ridgely, W. Va., March 9th, 1915.

To the public: Having suffered with chronic dyspepsia and serious kidney trouble about two years and having been treated by other doctors without obtaining the relief I desired, I decided to try the Inter-State Doctors, the specialists who have their Cumberland Medical Institute on the second floor of the building at 107 North Liberty street, opposite the Liberty Theatre and next door to the Postal Telegraph office. The trouble I now report as follows:

"I can truthfully say this in strongest upon the request I have obtained. I advise all others who are sick and discouraged to call on the Inter-State Doctors for treatment.

"(Signed) Mrs. J. F. McKenzie, 11 John St."

The Inter-State Doctors treat stomach, other diseases that do not yield to chronic diseases of the nerves, blood, heart, liver, kidneys, bladder, spine, brain, also rheumatism, pure blood, nervousness, skin eruptions, pimples, constipation, rupture, piles, kidney, dyspepsia, weak lungs, chronic appendicitis, catarrh, deafness, asthma, dropsy, gynecology and other diseases of women and diseases of men.

A special offer is being made all this week until April 28th at their Connellsville Medical Institute located over the Citizens National Bank at the corner of Pittsburg and Arch streets. The offer is free consultation, free examination and free treatment except for bare cost of medicines and their distribution to all patients accepted for treatment before the above date. No incurable cases will be accepted for treatment and if your case is incurable you will be told so and not one cent of your money is accepted. However, it must be remembered that many men doomed to liable undertakers' methods of treatment are readily cured under the new system of treatment as practiced by the Inter-State Doctors.

No charge will be made for the regular office hours of the Inter-State Doctors during the period of the free offer until April 28th. These hours are daily from 9 A. M. to 12 noon and 1:30 to 5 P. M. and evenings 7 to 8 daily. Sunday hours are from 9 A. M. to 1 p. noon only.

Sick people cannot do better than by consulting the Inter-State Doctors at their earliest opportunity. Hundreds of local people have found health at the Inter-State Doctors Connellsville Institute even after other doctors and method of treatment had failed to help them.—Adv.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a sallow, dull look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women, as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.

A MESSAGE TO THIN, WEAK, SCRAWNY FOLKS

An Easy Way to Gain 10 to 30 lbs. of Solid Healthy Permanent Flesh

This nervous, underfed, thin and weak men and women everywhere are heard to say: "I can't understand why I do not get fat. I eat plenty of good nourishing food." The reason is just this: You cannot get fat, no matter how much you eat unless your digestive organs assimilate the fat-making elements of your food instead of passing them out through the body as waste.

What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood which they may reach the starved, shrunken run-down tissues and build them up. The thin person's body is like a dry sponge—starved and hungry for the very materials of which it is being deprived by the failure of the alimentary canal to take it from the food. The best way to overcome this sinful waste of flesh-building elements and to stop the leakage of fats is to use Sargol, the recently discovered reconstructive force that is recommended so highly by physicians here and abroad. Take a little Sargol tablet with every meal and notice how quickly your cheeks fill out and rolls of firm healthy flesh are deposited over your body covering each bony angle and projecting point.

All good druggists have Sargol, or can get it from their wholesaler and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each package. It is inexpensive, easy to take and highly efficient.

Caution.—While Sargol has produced remarkable results in overcoming nervous dyspepsia and general stomach troubles, it should not be taken unless you are willing to gain ten pounds or more, for it is a wonderful flesh-builder.—Adv.

FRECKLES

Now Is the Time to Get Rid of These Ugly Spots.

There is no longer the slightest need of feeling ashamed of your freckles, as the prescription othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of othine—double strength—from A. A. Clarke and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength othine as this is sold under guarantee of money back if it fails to remove freckles.—Adv.

PATSY BRANNIGAN HAS FINE RECORD IN RING CAREER

Is One of the Best Known Featherweights in the Boxing Game.

MEETS M'COY HERE APRIL 27

Jimmy McCoy Has Scored Four Straight Knockouts Recently and Is In The Pettis to Meet Brannigan; Kaiser-Feg Go Will be a Bang Affair

Promoter Jack Stevens has arranged to bring together two of the best boys in the featherweight class at his next show here on Tuesday, April 27, when Patsy Brannigan of New Castle and Jimmy McCoy will clash for six rounds. Brannigan has fought and defeated topnotchers, even Johnny Kilbane, now the featherweight champion, while McCoy has been cleaning up all comers around Pittsburg, Buffalo and Philadelphia, only recently establishing a record of four straight knockouts.

Brannigan will box Kid Kansas, the hard hitting boy, at Buffalo, N. Y., on Monday, April 26, and will leave at once for Connellsville to meet McCoy here the next night. Jimmy Dime, Brannigan's manager, writes that he will be here in plenty of time and be in fine shape.

Fay Kaiser, who will meet Bill Feg of Uniontown in the first part of the double windup, is training hard with Johnny Powell of Wheeler and, expects to be in the pink of condition for next Tuesday. Feg is training in Uniontown and is working hard. He will bring a big delegation of friends who think he has a chance of stopping Kaiser's winning streak. This will be one hot battle.

Stevens is looking for five negroes with a little ring experience for the big battle royal, which will be the laughing card of the evening.

In the preliminary Johnny Powell will meet a good 115 pound boy.

Patsy Brannigan, whose picture appears above, is looking better than he ever did before. Only last week, he showed his cleverness by defeating Kid Plato in a 10 round bout at Erie, handing Plato the worst beating of his career.

Some of the boys Brannigan has beaten lately follow:

Frankie Mahle, won, 6 rounds.
Johnnie Daley, no decision, 6 rounds.
Young Fitzgerald won, 6 rounds.
Pal Moore, no decision, 10 rounds.
Phil McGovern, no decision, 10 rounds.
Johnny Kilbane, no decision, 12 rounds.
Monte Attell, no decision, 6 rounds.
Johnny Kilbane, no decision, 12 rounds.
Benny Chavez, K. O., 6 rounds.
Louisiana, no decision, 6 rounds.
Earl Denning, K. O., 12 rounds.
Young Piper, no decision, 6 rounds.
Louisiana, won, 20 rounds.
Harry Palmer, no decision, 6 rounds.
Eddie Winder, won, 6 rounds.
